ABOUT US

eMastersIndia.net is a Kolkata-based company that has been providing high-quality digital signature certificate (DSC) solutions and professional support services to individuals and businesses across India for over 19 years. Our commitment to offering cost-effective and efficient solutions has earned us a reputation as one of the most reliable DSC providers in the country.

SERVICES

Our range of DSC solutions includes Class 3 individual and organization DSC, signing and encryption DSC signatures, and online DSC renewal. DSCs have a wide range of uses, including e-filing of income tax returns, e-tendering, e-procurement, and e-filing of ROC and MCA documents. DSCs are also used for DGFT (Directorate General of Foreign Trade) applications, IECGate (Import Export Code) applications, trademark and patent applications, and EPFO (Employee Provident Fund Organisation) applications. By using our DSC solutions, you can enhance the security of your digital transactions, reduce paperwork, increase efficiency, and save costs.

SPECIALITY

We issue DSCs on behalf of all major Certifying Authorities in India, including Safescrypt, (n)Code Solutions, e-Mudhra, Capricorn, Vsign (Verasys), IDSign, Panta Sign, xtra Trust, ProDigiSign, SignX, and Care4Sign. We also offer Foreign DSC solutions for foreign directors who require DSCs to e-file income tax returns and other legal documents in India.

CUSTOMER SERVICE

At eMastersIndia.net, we believe in providing the highest level of customer service. Our team of experts is always available to answer your questions, provide guidance, and ensure that you have a hassle-free experience. We are committed to making the process of obtaining a DSC as simple and efficient as possible. We have served customers from various sectors and industries, including banking, finance, healthcare, legal, and government.

In addition to our DSC solutions, we also offer professional support services to help our customers establish their digital presence and digital marketing strategies. Our team of experts can assist you in creating a LinkedIn company page, optimizing your website for search engines, and developing a social media marketing plan. We have a proven track record of helping our customers succeed in the digital world, and we can provide you with statistics and case studies to showcase the effectiveness of our services.

OVERVIEW

eMastersIndia.net is committed to providing high-quality, cost-effective digital signature solutions and professional support to help our customers secure their digital presence and meet their business goals. We have received various awards, recognitions, and certifications for our DSC solutions and services, and we have partnerships and collaborations with other digital service providers and technology companies.
